# We are *thee packaging company*

Welcome to Thee Packaging Company - India's leading experts in eco-friendly **paperboard packaging solutions**. We specialize in providing innovative, customizable and sustainable packaging products to the food delivery industry and beyond.

At Thee Packaging Company, our commitment to **sustainability** is at the heart of everything we do. We take pride in being at the forefront of the industry, constantly pushing the boundaries of what is possible with our cutting-edge packaging designs and materials. Our products are designed to **minimize waste, reduce carbon emissions, and promote a circular economy**. Whether you're a small business or a large corporation, we have the expertise and resources to provide you with tailormade packaging solutions that meet your specific needs.

**Join us on our mission to create a better and greener world with our premium packaging solutions**

# Sustainable Solutions

At Thee Packaging Company, we understand the importance of responsible packaging solutions for food delivery. We take pride in offering **eco-friendly** and **sustainable** products that not only protect the environment but also keep your food fresh and safe.

Our packaging solutions are made from **renewable** and **biodegradable** materials, ensuring that they have a minimal impact on the environment. We believe that every business has a responsibility towards the planet, and we are committed to doing our part in reducing waste and conserving resources.

With our sustainable packaging options, you can rest assured that your business is making a positive contribution towards a better future.

**Let us help you create a greener tomorrow with our eco-friendly food delivery packaging solutions.**

# Infrastructure

INDIA

## Mumbai, HQ

We are proud to be headquartered in Mumbai, the city of dreams. From here, we oversee and manage all of our company's operations. Our team is dedicated to ensuring that every aspect of our business runs smoothly, so you can trust us to take care of all your needs. Whether it's logistics, marketing, or customer service, we've got you covered.

## Manufacturing Units

At our manufacturing units in Vasai, Pune, Nashik, and Surat, we uphold the highest standards of quality and efficiency. Each of our certified factories has the capacity to cater to both local and international customers, ensuring that we can meet all of your needs. With state-of-the-art equipment and a skilled workforce, we're able to produce high-quality products at competitive prices. Trust us to deliver the best solutions for your business.

## Logistics Centres

Our strategically placed logistics and fulfillment centers ensure that we can efficiently serve our customers wherever they are. With advanced technology and a focus on streamlining processes, we can deliver your orders quickly and accurately. Trust us to handle your logistics needs with care and precision.

## Nearest Port to HQ

Count on us to provide reliable and timely shipping solutions for your business, leveraging our proximity to the JNPT port in Mumbai for efficient transportation of goods to destinations around the world. Our dedicated logistics team works closely with you to ensure that your packaging requirements are met with the highest level of service and professionalism.

# Custom Cartons

You Ideate, We manufacture

## 04 MANUFACTURING

Upon approval of samples of all products, your designs are sent to our factory for production.

## 01 Design Language

We understand your brand language which include aspects like food genre, brand colours, target audience, geographic parameters, etc to create packaging that speak your thoughts.

# DESIGN PROCESS

PROTOTYPING YOUR PACKAGING

## 03 SAMPLING

With an approved list of the right raw materials and digital design, we use state-of-the-art manufacturing tools to preset physical samples.

## 02 Digital Solution

We submit digital renders/designs which helps you visualize your packaging design. This step gives you a chance to revisit/troubleshoot your ideas within your company.
